Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Quaker Quiddities; Or Friends in Council: A Colloquy The following pages are given to the public without the sanction of the Meeting for Sufferings. Had the manuscript been submitted to the censorship of that body, it is hardly probable that its publication would have been suffered. The course I have taken being contrary to discipline, I have thought it proper to send out my little book without the writer's name on the titlepage. I have no fear of disownment, should I be known as the offender. My age would prevent that; as, in the eye of the law, I am still an infant: but I am by no means sure that a punishment more in accordance with schoolroom usages would not follow. I hope no one who reads what I have written will receive an impression that there is a shade of disrespect intended towards the Society of Friends. A member by birthright, my associations with them have always been of the most intimate character. I respect them as a body.
