## BOY ABOUT TOWN

[DOWNLOAD](#)

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Boy About Town, Tony Fletcher, 'I was no longer fitting in at school. I was unsure of my friends, and they were increasingly unsure of me. I wanted to be a rock star. But while all around, voices were starting to break, acne beginning to appear, facial hair sprouting, I remained all flabby flesh and innate scruff, with a high-pitched whine and not a muscle to my name. I was the runt of the class and rarely allowed to forget it. I had no father at home to help me out, and could hardly talk to my mum. So I took solace in The Jam.' As a boy, Tony Fletcher frequently felt out of place. Yet somehow he secured a ringside seat for one of the most creative periods in British cultural history. Boy About Town tells the story of the bestselling author's formative years in the pre- and post-punk music scenes of London, counting down, from fifty to number one: attendance at seminal gigs and encounters with musical heroes; schoolboy projects that became national success stories; the style culture of punks, mods and skinheads and the tribal violence that enveloped them; life as a latchkey kid in a single-parent household; weekends on the football terraces in a quest for street credibility; and the teenage boy's unending obsession with losing his virginity. Boy About Town is an evocative, bittersweet, amusing and wholly original account of growing up and coming of age in the glory days of the 1970s.
