Excerpt: . . . industry in a community as the pure bred mares which may be owned there. A good pure bred mare has been the means of causing many men to breed better horses. 156. Where to Buy Mares. The purchasing of a pure bred mare has ended in many a disappointment. In times such as the present, when no legitimate business is paying such a revenue on the investment as the draft mare of quality, is a fairly good reason why such rigure 49. mare, as indicated by the refined head. product of a capsule service. A Percheron mare of quality and her foal of two months. This mare combines size and quality to a high degree. Note the extreme femininity of this This foal is the mares known to be producers are rarely ofiered at public sales. Those who have purchased mares at such sales only to find in the years that follow, that to have purchased a gelding would have proved just as profitable, are many. I have seen mares respond to the call of the stallion while being sold under a positive guarantee that she was safe in foal. 157. Rules in Buying Mares. There are two rules in buying mares, which if followed closely will rarely result in a disappointment. The one is to buy mares only with a foal at foot. Such a mare has proved herself a breeder. The other is to buy young fillies, and only of the man...
