

# Transforming Scholarship: Why Women's and Gender Studies Students Are Changing Themselves and the World (Contemporary Sociological Perspectives)

Filesize: 5 MB

## Reviews

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*  
*(Bernardo Feeney Jr.)*

## **TRANSFORMING SCHOLARSHIP: WHY WOMEN'S AND GENDER STUDIES STUDENTS ARE CHANGING THEMSELVES AND THE WORLD (CONTEMPORARY SOCIOLOGICAL PERSPECTIVES)**

Routledge, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book is suitable as a course textbook and indispensable for women's and gender studies programs. It is a necessary acquisition for academic libraries. Summing Up: Essential. Lower-level undergraduates and above; general readers."--CHOICE, G. M. Herrmann, SUNY College at Cortland, USA "Direct, clear, compelling, this volume could not be more articulate in exploding every myth associated with this transformative field. This volume is a must for an introductory women's studies course through to a capstone for WS majors; it both orients those new to the field, and provides excellent concrete advice for how to move from the college campus into the world."--Judith A. Howard, Sociology, University of Washington, USA "Transforming Scholarship will help students to think through the history and significance of the field of Women's and Gender Studies, guide them in answering challenging questions about themselves and their major or minor, and provide support and information about the job search and the ways they want to change the world. Rest assured that all Women's and Gender Studies majors at my school will be given a copy of this text"--Alison Piepmeier, Women's and Gender Studies, The College of Charleston, USA "What can you do with a major in women's studies?" How many times have I heard that question from students and parents! Thank goodness Michele Berger and Cheryl Radeloff have given us a thoroughly researched, accessible answer to that question. I'd highly recommend this book as required reading for first-year college students or as a great graduation gift for high school seniors interested in gender issues."--Susan M. Shaw, Women's Studies, Oregon State University, USA "If you have ever wondered what someone can do with a women's and gender studies degree, Transforming Scholarship is the...
