This book of very short modern day fables is meant to spark lively conversations from kids age 13 to a 120. Each fable contains a proverbial lesson. But what exactly is that lesson? And is there necessarily one particular lesson to be gleaned? Discuss. Or write down your answer on the blank sheet I provide after the story and lend the book to a friend or family member and let them write what they think. Maybe the book, marked up with several lessons, will someday hold great interest for one's children, grandchildren and great-grandchildren. So many stories, and so many interpretations, because we all see things in our own way. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
