

Law Enforcement Tech Guide for Creating Performance Measures that Work

By -

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 164 pages. Dimensions: 9.7in. x 7.4in. x 0.3in. Performance measures can help law enforcement agencies assess and report on the impact of their policing efforts, whether those efforts include adopting a new technology or new community policing initiatives. This guidebook will help agencies develop the necessary performance measures that can be used to improve individual programs and initiatives and can be integrated into broader performance management frameworks. It includes a six-step process for measuring performance, practical real-life examples, templates, recommendations, and checklists. This item ships from La Vergne, TN. Paperback.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
