A Story of Hope: A Holocaust Story

By Alexander Rucki

Balboa Press Australia, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Alexander Rucki is the child of a Jewish Holocaust survivor, and his book is both a reminder of man's breathtaking inhumanity to man and the absolute miracle of survival. These long-term effects are seen in hindsight over sixty years later. One can only begin to imagine what it would've been like to be sixteen and the sole survivor of a Nazi death camp. It's been done before-Diary of Anne Frank and Schindler's List among the two most popular-but this tragedy is constantly revisited, and I suspect this story is now ripe for the retelling. Alexander's mother not only survived Auschwitz-her brother, sister; and parents did not-but she married, bore two sons, and moved to a new continent with a new language, far away from the hell of Europe.

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
