Brand New Book ***** Print on Demand *****.Kick-start Your Success And Master Your Work With Simple Positive Routines Do you end each day with a stack of tasks that never seems to decrease? With so much to do every single day, many of us find ourselves wishing for an extra hour or two. Why can't each day have 26 hours instead? Perhaps you'd use those extra hours to catch up on sleep. Or visit with friends and family that you have had to neglect because work is consuming more and more time. Yet after a long, tiring day at work most of us don't have the energy to do the things we know we should, but don't. But don't worry - it's not you - it's the nature of work and life in our hyper-accelerated economy. Most of us have never been taught how to properly manage our time and really focus on what has to get done. But this is what successful people know - how to manage time efficiently, and squeeze extra hours of productivity into the usual 24-hour day. These secrets are what help them achieve extraordinary results that were formerly not available to the rest of us. But now with the Focus Factor you can achieve success just like they do. The fact that you are reading this means that you are capable of thinking and getting results just like those successful people. But the change doesn't have to be hard or painful. Using the Focus Factor you can start the process of changing your life for the better. Whether you are working in a small company juggling multiple jobs or in a...
