Brand New Book ***** Print on Demand *****.Excerpt from Report of the Maine Commission for the Feeble-minded and of the Survey To the Honorable Governor and Executive Council of the State of Maine: By virtue of a Resolve passed by the Legislature of Maine in the year 1917, the undersigned were appointed members of a commission to make a thorough and complete study of the problem relating to the care, treatment and needs of the feeble-minded within the State and report with recommendations as to the future policy of the State. In his message to the Legislature of that year the Governor wisely observed with reference to the care and treatment of the feeble-minded that no further expenditures for extension of plant should be made until there has been a thorough investigation of the whole problem with the aid of the best expert advice that can be obtained. Inasmuch as the presence and unrestrained activities of the feeble-minded in social life are universally recognized as a grave menace to the highest welfare of society, and as the problems involved in their care, treatment and...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
