

A Little History of the English Country Church

Filesize: 9.08 MB

Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

A LITTLE HISTORY OF THE ENGLISH COUNTRY CHURCH

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, A Little History of the English Country Church, Roy Strong, 'A highly readable and intelligent narrative account .Anyone with the slightest interest in the English parish church.will be intrigued, informed and enchanted by this lucid, and occasionally provocative account' - "Country Life". 'The writing is concise, uncluttered, clear. Even when you know the history, you still turn the pages, wanting to find out what small but telling detail he has uncovered next' - "The Times". This fascinating and beautifully illustrated little history is a celebration of the English country church - and a passionate plea for its preservation. In his engaging account Roy Strong tells the dramatic story of the English parish church, from the first temporary buildings erected in Anglo-Saxon times to its uncertain future in the twenty-first century.From the arrival of the missionaries from Ireland and Rome, who erected crosses in the country to mark the places where they preached, to the beautiful architecture and rich spirituality of medieval Catholicism; from the cataclysm of the Reformation, which replaced the splendour of ritual with the preaching of the Word, to the age of the 'squarson', the gentrified cleric we meet in the novels of Jane Austen: Roy Strong takes us on a journey - historical, social and spiritual - to explore what men and women experienced through the age when they went to church on Sunday. 'Indispensable' - "Sunday Telegraph".
