THE RIDDLERS

Atlantic Press. Paperback. Book Condition: new. BRAND NEW, The Riddlers, Steven Braund, Steven Braund, A menacing sequence of drawings is accompanied by a hand-drawn poetic text which seems to explore the awakening from a dream. A work of graphic literature. "I wanted to return to the simple pleasure of pencil drawing. The story developed on its own as the drawings appeared; suggesting what eventually seemed a fully formed whole (to me anyway). Im always amazed at how different people see different things when they view/read the same work. In this case, Im happy with the feeling of ambiguity, as the piece is meant to function in a poetic way. It attempts to present something about the interdependent relationship of good and evil, and of our deep state of unconsciousness; we are asleep. Beyond that, I would rather let it speak for itself, otherwise I would have just written a description of the idea instead." -- Steve Braund.
