Underworld Amusements. Paperback. Book Condition: New. Josh Latta (illustrator). Paperback. 204 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. There is no irony in the fact that H. L. Mencken is a tall figure in the history of letters, and Robert Rives La Monte is wholly forgotten. La Monte, who worked at the Baltimore News as well as being an editor for the International Socialist Review, was a true believer in the promise of Socialism. Here he writes six letters trying to convince H. L. Mencken to reject his selfish ways and become a comrade in the revolution, to usher in a perfect world of total equality and universal brotherhood. (It) shows how (Menckens) political thinking had solidified hardened, really. The law of the survival of the fittest, he declares, is immutable, thus making socialism an absurdity; human progress is the product of the will to power, and all social arrangements failing to take this fact into account are doomed to failure; inequality is natural, even desirable, both in and of itself and as an alternative to mob rule; the world exists to be run by the...
