

Elementary Lessons in Physics (Classic Reprint)

By John B Gifford

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elementary Lessons in Physics The following Lessons have been growing into their present form for several years, during which time they have been used in classes under the supervision of the author. Within the past year they have been revised, with the aim of adapting them to general use. It is confidently hoped that these Lessons will meet a want which is being increasingly felt by teachers and school officers for a suitable text-book to aid them in training the pupils of the upper grammar and lower high school grades to observe, to think, and to express thought, and in revealing to them some of the laws in accordance with which physical changes occur. It has been the author's aim to guide the investigations of the learner by directions and questions so definite that he will generally be able to get the points desired without aid. Occasionally a question is asked which only a small proportion of the class may be able to answer; but the question should at least secure the attention of...
