A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

I'm the author of three major series; Adrian's Undead Diary, Elmoryn's The Kinless Trilogy, and the Reemergence Novels, the first of which is Tesser: A Dragon Among Us. This particular version is the print version. To help folks get a taste of my writing, I've put At Least He's Not On Fire together. Inside this wonderful tome of my words, you'll find a healthy sized sampler of each of my major works, as well as several short stories that are mixed in for your entertainment. All in, Hell Hole, and The Vampire of Menlo Park are all great fun, and I hope you enjoy them. Retreating to Auburn Lake Preparatory Academy, Adrian attempts to rescue friends and family on the way while dancing around his impending insanity over who and what he left behind, and evading maniac survivors. He saves his cat Otis, but shoots his mom. Pretty successful, all things considered. Dark Recollections is the first part of Adrian's own story of how he survived after That Day. Told through his eyes as he talks to his laptop, affectionately named Mr. Journal, and through short stories that entwine with his tales...
