Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Painting the Energy Body: Signs and Symbols for Vibrational Healing, Petra Neumayer, Roswitha Stark, Geometric symbols and signs have been drawn on the body to enhance strength and courage and stimulate the body's powers of self-healing since prehistoric times--the most ancient evidence being the 5,000-year-old iceman "Otzi," found in the Alps in 1991, who had symbols tattooed over his arthritic joints. Found in indigenous societies around the globe, symbols on the body--whether drawn, painted, or tattooed--act as energy antennae, triggering healing impulses in the energy body and meridian system. Exploring several simple methods to work with symbols for physical, emotional, and spiritual healing, Petra Neumayer and Roswitha Stark illustrate the key symbols used in this practice and reveal how to select the proper symbol or symbols for your condition. They explain how to use these signs directly on areas of pain and injury--from mosquito bites to eczema--for quick relief, on bandages to speed healing, and on acupressure points and meridians to treat more complex conditions. They explore the use of symbols to reduce scar tissue, counteract electromagnetic pollution, balance the chakras, and cleanse toxins from the body. The authors explain how, like homeopathic remedies, symbols transfer information through energetic vibration and morphic fields--the resonance between all living things, past and present, discovered by Cambridge biologist Rupert Sheldrake. They detail how to transfer the energy of a symbol to water, food, jewelry, or stones for long-term treatment and prevention. They also show how to heal animals and plants with symbols. Bringing together traditional Chinese medicine, quantum physics, dowsing, and homeopathy, this new yet ancient practice harnesses the power of symbols to initiate healing at the very foundation of our energetic being.
