Are we losing our freedom by forgetting the very things which set us apart? We are failing to understand our history's lessons. Two governance philosophies have existed since the ancient world. This book uses material underlying those two philosophies to provide you the opportunity to reflect on who you are within creation, your freedom's source, its purpose, the beliefs of those two philosophies, how those philosophies have shaped governance, and how those forms impact society. In the process you will discover your purpose - and find hope. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
