Before getting into detail about the topic Work- life balance and Health Care Benefits essential form of modern life- cycle benefits the definition and the importance of those benefits should be pointed out. Life cycle benefits are defined as a part of the compensation package offered to the employees according to their part of life cycle; which means for instance to their age or their social situation. The benefits can be financial or non- financial. Today s working situation is under real pressure. There are a lot of different influences and requirements to the employer as well as to the employees due to socio- demographic, socio- cultural and economic changes. The economic power often is achieved at the expense of social...
