Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two short pieces, Fairy Sylvie and Bruno s Revenge, originally appeared in Aunt Judy s Magazine in 1867. Some years later, in 1873 or 1874, Carroll had the idea to use these as the core for a longer story. Much of the rest of the novel he compiled from notes of ideas and dialogue which he had collected over the years (and which he called litterature in the introduction to the first volume). Sylvie and Bruno, first published in 1889, and its second volume Sylvie and Bruno Concluded published in 1893, form the last novel by Lewis Carroll published during his lifetime. The novel has two main plots: one set in the real world at the time the book was published (the Victorian era), the other in the fantasy world of Fairyland. While the latter plot is a fairy tale with many nonsense elements and poems, similar to Carroll s Alice books, the story set in Victorian Britain is a social novel, with its characters discussing various concepts and aspects of religion, society, philosophy and morality.
