By Mike A Lancaster

Egmontusa, United States, 2014. Paperback. Book Condition: New. Reprint. 203 x 132 mm. Language: English . Brand New Book. The paperback of the sci-fi techno-thriller that could be ripped out of The Twilight Zone and reads like an upgrade of M.T. Anderson's Feed. New version available for: Humankind. .... Your download will begin shortly. Thousands of years in the future, the divide between humanity and technology has become nearly indistinguishable. Each thought and action is logged, coded, and backed up. The Straker Tapes say that this melding of man and machine is a result of upgrades, not evolution. But no one is sure if the tapes are a work of fiction or an eerie peek into a forgotten past. Nearly sixteen-year-old Peter Vincent has been raised to believe that everything the backward Strakerites cling to is insane--that there is always a rational explanation based in fact. Then he meets Alpha, and the theories about society upgrades don't sound quite so crazy. She can prove that the Straker Tapes are true and that another reboot is imminent. Together, they can stop it. But how are they supposed to prevent humanity from being reprogrammed when they don't...
