Outskirts Press, United States, 2010. Paperback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.With the explosion of the New media technology it has also brought along new entrepreneurship spirit. This made the Young and New Entrepreneurs to enter the business scene. Some achieved big goals and attained massive success, which exceeded those from the baby boomer generation. Becoming an entrepreneur these days requires self-conditioning. This is to equip oneself with a good set of skills. For example, understanding the positive Neuro-linguistics programming (NLP), entrepreneur attitude and social-marketing knowledge. You've got to be prepared to learn faster than before and be willing to take risks when exploring your career options. Some succeed, some fail. The Internet opens an opportunity to apply your new jazz and creativity while maintaining your semi-stable job, and still have major financial obligations to discover new Buzz in entrepreneurship before you decide to make a big change? Laura Maya gives practical and personal insight from a young entrepreneur's point of view to help new business owners to start off afresh and introduce new Ideas in new media technology. Whether it is related to blogging, social networking, ecommerce site, ebook publishing, video streaming technology etc; she emphasizes on how the Savvies can earn multiple streams of income from the Internet. Yet still stay totally committed to their current job and still progress in their career without exposing to MUCH RISKS. When they achieved their first pot of Gold, they would have gained sufficient experiences and financial resources to take on their new venture in stride. It's a competitive World out there. To be an entrepreneur, you will learn to cope with life, while starting and succeeding in your own business. When you work for someone...
