Are you searching for more than a surface reading of the Bible? These fifty-two weekly studies emphasize personal application and will draw you directly into God's Word . in order to love Him more. In this roll-up-your-sleeves look at Scripture, each of the studies begins with a short reflection tied to the present day, providing you a springboard into the various passages presented from the Old and New Testaments. Then, in a refreshing departure from other Bible studies, the author doesn't explain what the passage means or offer support on what she feels God is trying to say through Scripture. Instead, Anne asks dozens of questions in each study, prompting you to personally dig into Scripture and discover God's specific message for yourself. Into the Word is more than surface deep . it's a spiritual study guide that leads you to the heart of God's Word.
