CINEBOOK: The 9th Art Publisher, Canterbury, 2014. Paperback. Book Condition: New. 1st English Edition. 48pp Suitable for: 8+ years. [In stock in Australia now, for immediate delivery] Scary, magic or poetic, all those tales have one thing in common: they're fun! Melusine, the young witch-in-training, divides her time between studying at the sorcery school and working au pair at the local vampire's castle. That's a lot of pressure, and she needs some distractions and fun too. So, what better way to take your mind off things than a good old-fashioned session of story telling with your friends? Dragons, enchanters, princes and princesses all get the fairy tale treatment - except, well, Melusine's no fairy. 'A fantastic fun-filled knockabout comic strip with a goodly dose of magical appeal. If your children loved Harry Potter, they'll definitely love Melusine - and she was here first!' [Readitdaddy.blogspot] Melusine is a sorcerer's apprentice, funny and dynamic, who does everything possible to become a powerful witch. Unfortunately, she's not always successful, and very often her tricks turn against her and her circle. Pumpkins, all sorts of monsters, a haunted castle, a charming prince - everything is there for the greatest pleasure of the readers. Girls or boys, nobody will be bored with Melusine!.
