Ballantine Books, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Quang X. With A SENSE OF DUTY, Pham has achieved both: this tale of his and his father's wars is a testament to the heart, told with an aviator's stiff courage and clear vision. Insistently aware that war's passions extend their energies through generations--preserving the twisted genetic strands...
