A seriously entertaining read. --Livin Life Through Books I had a big smile on my face the entire time I was reading it. --Author Karen Hall Don t start this book late at night because you will not be able to put it down until you have finished it. --Mermaid from Tennessee Zoe Miller is a 15-year-old witch with a talent for potions. She s working hard to find a substitute for toad slime. Since fat-free margarine has been found to be a substitute for dead man s toe, she s hopeful that she ll find one. Then there s all the so-called normal stuff. Like high school, her annoyingly selfish friend Anya, and her crush on Anya s ex-boyfriend Jake. Now, Zoe s dad is dating Jake s mom, and things are getting more and more complicated. If only Zoe could brew a potion or two and set everything straight. Zoe can t. If she brews a self-serving potion, bad things will happen to her appearance. Like a crooked nose, giant wart, green skin, rotting teeth--the whole ugly witch stereotype. Zoe s tired of fate interfering so cruelly in her life. Can you really blame her for putting her potions to not-so-good use and stirring up trouble? *****Excerpt: Should we leave?
