

The Blue Science of Heart or Our Time Together

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Rosedog Books, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Here and now, during my happy moments of inspiration, deeply inside me, I'm still listening to the voice of my Muse, whispering these poems. I'm realizing that these friendship and love poems, have been already written, deeper and deeper into my heart, and their sounds, are radiating now, like a fire at the foot of a mountain, toward my entire life and universe. These poems, are dedicated to all men and women in love, and to the blue flowers and herbs of this spring, which have achieved the great miracle of bringing back to life, the soul of my long forgotten and neglected childhood and adolescence. About the Author Radu Andrei is the author of the poem A Breath on The Window or Brainstorming Pictures, recently issued by RoseDog Books and dedicated to the memory of the young heroes of the Romanian Revolution. With this new poetry book The Blue Science of Heart, the author explores the story of two human beings, who recognizing each other after innumerable previous lives, neglecting any social or physical laws, succeeded to cross together, the border between their parallel worlds, through the gateless gate of friendship and love, just striving to become One.
