CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This story is about people who always think they know more than everyone else. It is about how they have to be dealt with, to a certain point, and the consequences of letting them have their way. It is not hard to write fiction about this. There are more than enough examples, in the real world, to create a basis for works of fiction. This item ships from La Vergne, TN. Paperback.
