Question 2: in case it is required to use a fireman for an emergency trip or two as an engineer, who is entitled to do this work the oldest available fireman, who has no engineers seniority, or the fireman who is on the engineers seniority list and has been demoted on account of depression in business Ruling: Again we object to the word emergency. The question you ask relates to extra work, pure and simple. The oldest man. whether demoted or hired, ()Parts of this letter are decisions of disputes and it is repeated as Decision 64. should be called and used for this work. Our understanding of an emergency is when a man is taken sick, or has been hurt,...
