Jennifer's new roommate reluctantly helps Jason cover up his bungled burglary. New plan-seduce the roommate into helping him steal the locket. Alison suspects Jason is just using her, but that's fine. She has her own agenda, which involves using her roommate's studly ex for a little fun between the sheets. Casual sex turns into dating, and the more Alison falls for Jason, the more she wants to rip that locket off her undeserving roommate's scrawny neck! Soon a risky plan emerges, one that could gain them the locket but cause them to lose something far more precious. Reader Advisory: This story contains a sensual F/F scene....
